If you are enjoying our BUILD UP Skills newsletters and know colleagues or partners that would also be interested in receiving it, [please have them subscribe here!](#)

The 8th BUILD UP Skills EU exchange meeting agenda is now available!

The agenda for the 8th BUILD UP Skills EU exchange meeting that will take place on 2-3 June 2016 in Budapest, Hungary has already been published [here](#). Besides slots for making progress within the four Technical Working Groups set up at the previous 7th EU exchange meeting, participants can expect a plenary session on reporting on indicators and parallel sessions on cross-craft understanding, poster presentations, finalised projects and ideas sharing regarding the H2020 call – EE14 – on construction skills. On top of that, the 8th meeting will offer a site visit to two highly-innovative construction projects (for more information see [Newsletter #1](#)) followed by an optional dinner.

This meeting is open to BUILD UP Skills project coordinators and partners involved in the BUILD UP Skills Pillar I, completed and ongoing BUILD UP Skills Pillar II, and ongoing Horizon2020 construction skills projects.

If you missed the previous EU exchange meeting or would like a reminder of what was discussed there, please visit [this](#) page on the BUILD UP Skills website. There you will find the programme, list of participants, posters and presentations of the two-day event as well as the [final report](#) of the meeting.

8th EU exchange meeting
2-3 June 2016 | Budapest

SHIPPING STARTS 2016

Social Media (I)

- Informing about BUILD UP Skills activities and centres of interest
- Bringing people to the web, where they can find more information
- We will grow the community by:
 - Regularly posting and thus creating expectations
 - Participating and engaging with other related initiatives
 - Inviting them to share their experience, interact, etc.

Social Media (II)

- Facebook page can be accessed by typing 'BUILD UP Skills'

<https://www.facebook.com/BUILD-UP-Skills-241876796189382/>

- Twitter account: BUILD UP Skills
@EU_BUSkills – you are welcome to tweets instantly!!!

https://twitter.com/EU_BUSkills

BUILD UP Skills

Knowledge sharing

Facebook & Twitter interactive cover – **example 3**

Website (I)

- BUILD UP Skills website will be merged into BUILD UP portal
- **Updated country pages** – with detailed information about national projects and H2020 construction skills projects
 - You will be asked to provide and confirm some information about your projects (more detail in next slides) + short descriptions of your projects in local language
 - **Timeline: summer – autumn 2016**

Website (II)

New features

- Revamped website part of BUILD UP portal
- Country pages – including an online database of projects and a country factsheet (part of our monitoring and evaluation task)
- Newsletters, events, news, library
- Promotional material including social media
- Collaboration platform - intranet

Collaboration platform (I)

- Each online working group (WG) will mirror the offline technical working group (TWG), with members and the role of online WG coordinators;
- Platform is organised around the different TWGs & a general space for all members
- Coordinators will:
 - moderate the WG,
 - encourage participation,
 - propose content for the WG, and
 - ensure a smooth process overall.

Collaboration platform (II)

- Members can:
 - post items / news, Q&A
 - comment on each others posts
 - upload documents
 - hold simple polls
 - engage with each other
- Link to the platform:
<http://community.buildupskills.eu/>

A screenshot of the BUILD UP Skills community start page. The page has a blue header with the 'BUILD UP SKILLS' logo on the left and navigation links for 'HOME', 'GROUPS', and 'EVENTS' in the center. On the right of the header are 'Sign up' and 'Log in' links. Below the header, there are two buttons: a green 'Sign up' button and a grey 'Log in' button. The main content area features the text 'Welcome to BUILD UP Skills community' and 'Share your thoughts, find answers to your questions.' To the right of this text is a large graphic of a network of lines with human figures. At the bottom of the page, there is a footer with the text 'EASME - Executive Agency for SMEs' and the European Commission logo.

Lessons learnt/ Success factors	(max 500 characters without spaces per bullet point)			
Barriers				
Key needs	(to make the results more transferable/ viable)			
Recommendations	[Recommendations for EASME, future projects, policy makers, etc.]			
Replicability				
Project indicators				
Add indicators + their data	Ex ante assessment	Interim results	Final results	Target 2020
--				
--				
--				
Horizon 2020 Construction skills project (if available)				
Role in the project	(please indicate whether you are coordinator or partner in the project)			
Country organisations involved	(please list names of all country organisations in English)			
Contact person - email				
Project's website				
Keywords	(Please write up to 5 keywords which will make your project easy to find online. I.e. cogeneration, green mobility, regional planning)			
Duration	Start date: DD MM YYYY End date: DD MM YYYY			
Budget	Euro (EU contribution \$)			
Summary description	(Max 1200 characters without spaces)			
Context				
Objectives	[numbered bullets with what they are trying to achieve]			
Target skills/ professions	Skills/ trades that are targeted by this project			

Monitoring & Evaluation of BUILD UP Skills projects (II)

• What do we need from you?

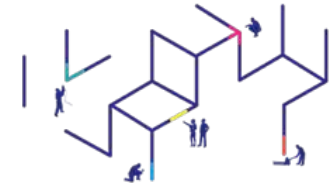

We will approach you for...:

- ✓ Pointing us at additional documents / information to fill out the country factsheets and database
- ✓ Granting us an interview
- ✓ Verifying information we are not sure about
- ✓ Providing us with a short translation of part of the text of your site (when this is not in English)

Timeline: summer-autumn 2016

EU exchange meetings

- Next EU exchange meeting will be organised beginning of December 2016 in Sofia, Bulgaria
- The one after will be organised end of May/ beginning of June in Rotterdam, the Netherlands
