## From the Status Quo

## via Consultation

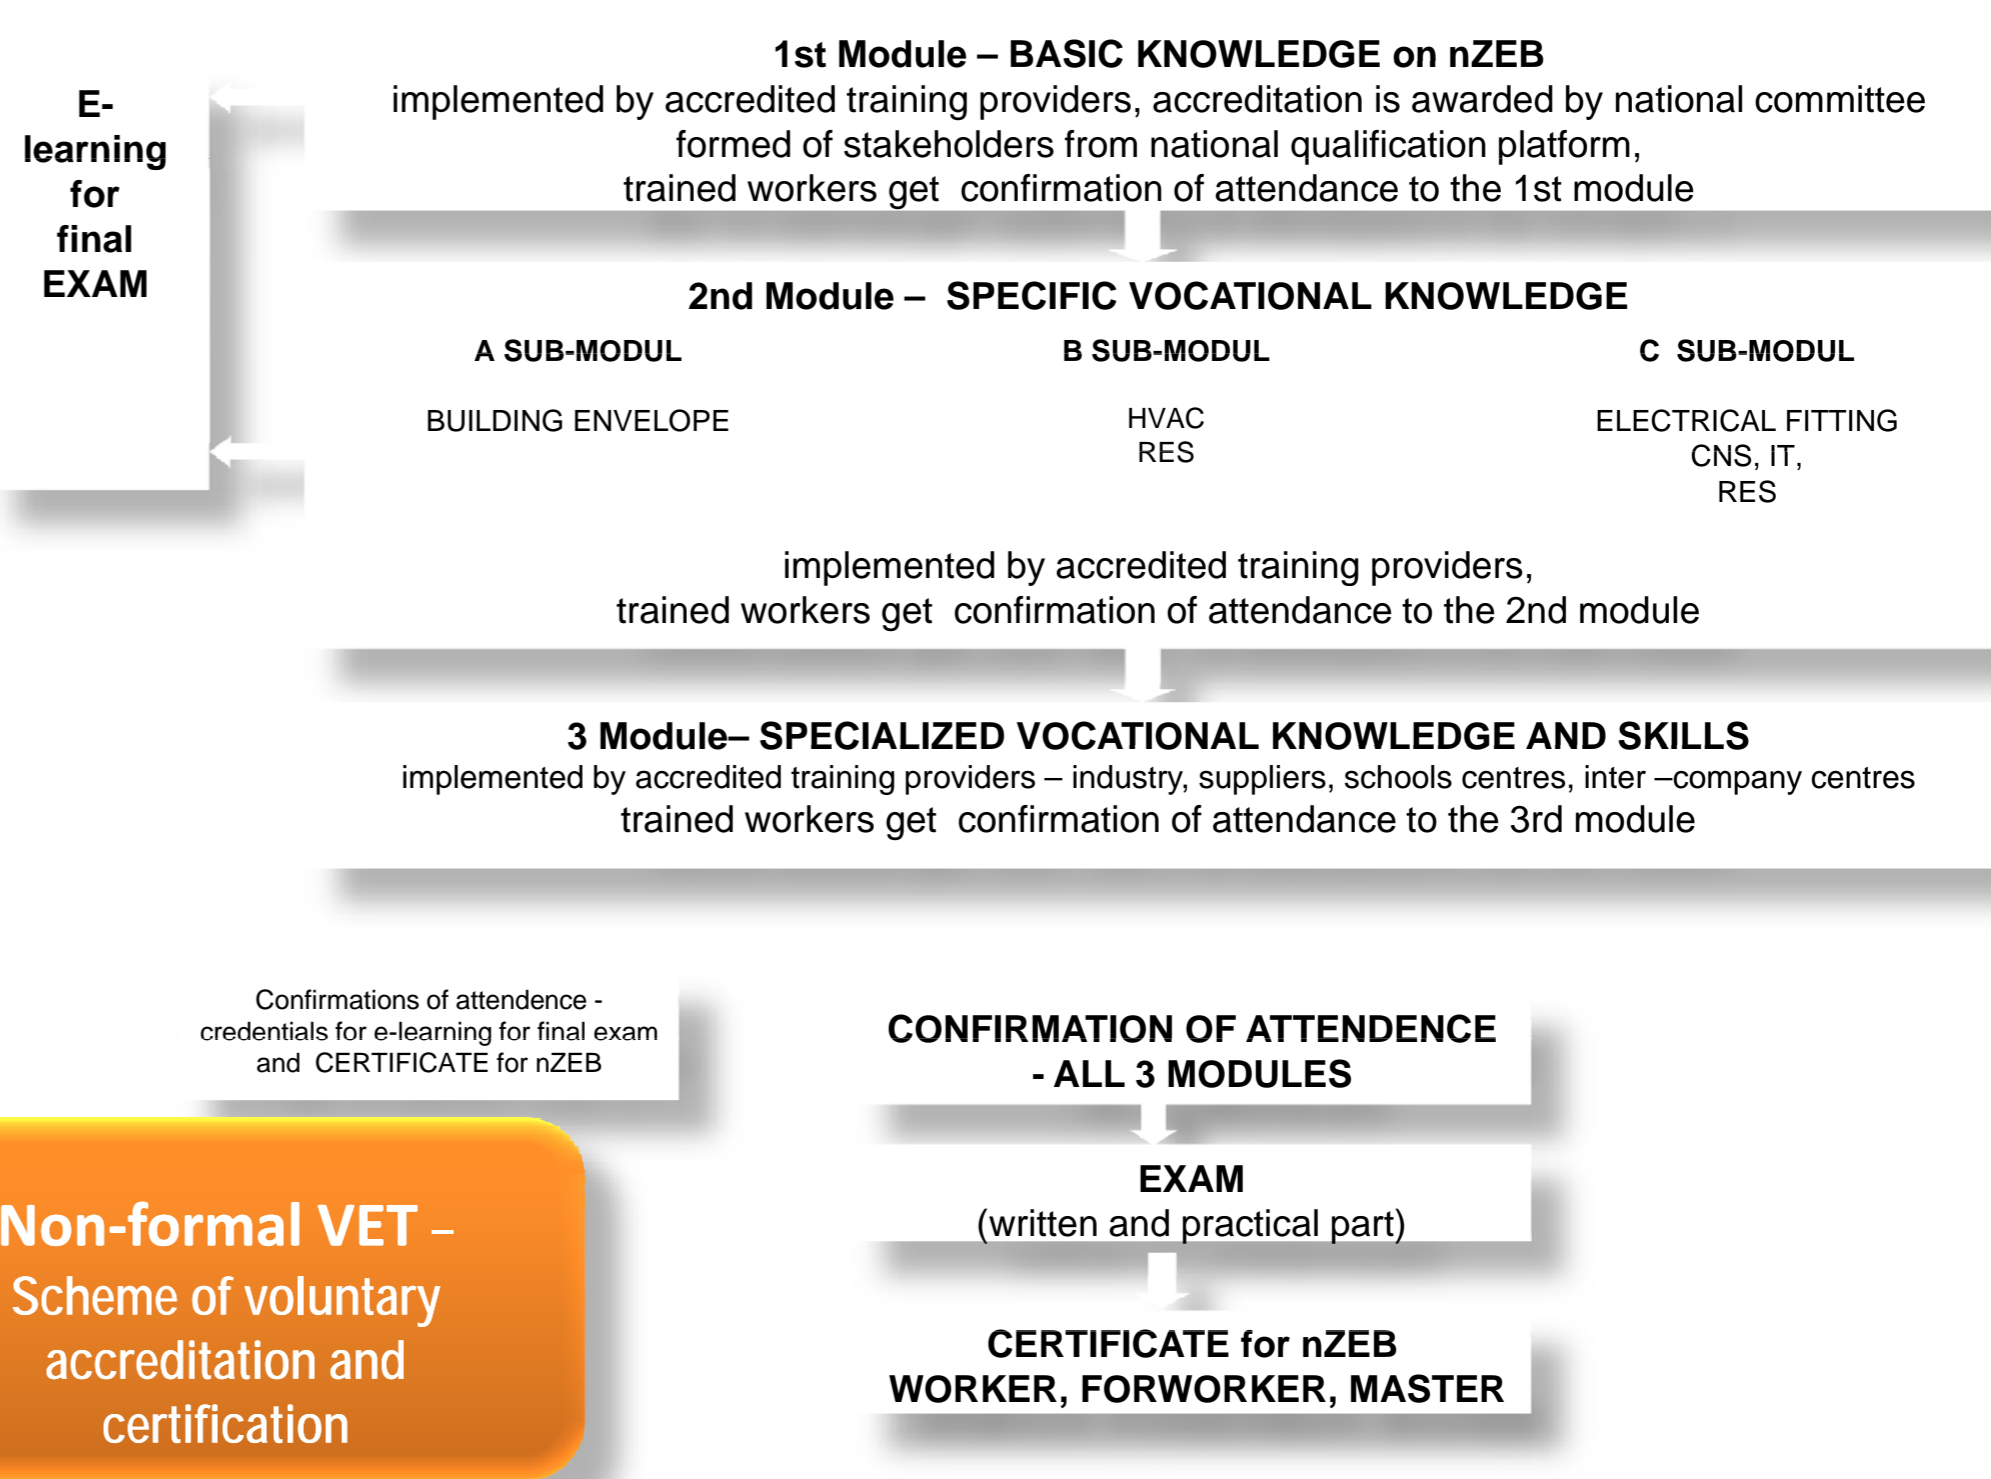

## to the Roadmap

## Roadmap – core activities by 2020

- **Further development of national qualification platform**, organisation and launch of non-profit, inclusive platform of all stakeholders for preparation and implementation of formal and non-formal vocational education and training by 2020.
- **Preparation and implementation of support policy**, including system measures for (co)financing of nZEB blue collar workers.
- **Development of comprehensive lifelong learning programme** with description of learning outcomes / knowledge / skills / **competences for over 30 nZEB occupations**.
- **Formal VET** – development of open curricula, new vocational standards, national vocational qualifications based on ECVET, upgrade of curricula and train the trainers.
- **Non-formal VET** - Support in further development, integration and complementation of informal vocational education and training, currently offered by chambers, institutes, school centres, associations and **above all by industry, producers and suppliers**.
- **Accreditation of providers** of non-formal VET trainings
- **Certification (voluntary scheme) of workers** trained in non-formal trainings
- **Awareness raising, promotion and dissemination** (clients, end users, green public procurement, employers and workers,...)

## and to Endorsement
