

European Energy Efficiency Conference 2024

7 - 8 March 2024
Wels, Austria

**2024:
ENERGY
EFFICIENCY NOW -
FAST, SMART,
RESILIENT!**

Conferences:

- Energy Efficiency Policy Conference
- Industrial Energy Efficiency Conference
- Smart E-Mobility Conference
- Innovation Workshops
- Young Energy Efficiency Researchers Conference

European Energy Efficiency Conference 2024

Energy efficiency now – fast, smart, resilient!

No time like now for energy efficiency! Price fluctuations, geopolitical instabilities and the climate crisis make the role of energy efficiency in the energy transformation evident. A strong push for energy efficiency in all sectors is critical in delivering energy security and sustainability.

The 2024 Energy Efficiency Conference will show how to realise the high policy ambitions of the upcoming EU legislation and how to strengthen energy efficiency demand and markets. The event is part of the annual World Sustainable Energy Days (WSED), a leading annual conference on the energy transition and climate neutrality with over 650 participants from more than 60 countries.

- 5 dedicated conferences
- a major sustainable energy tradeshow (2023: 78,000 visitors)
- networking with energy efficiency businesses, policy makers and researchers

Timetable WSED	Tuesday 5 March	Wednesday 6 March	Thursday 7 March	Friday 8 March
 European Pellet Conference				
 European Energy Efficiency Conference				
 Energy Efficiency Policy Conference				
 Industrial Energy Efficiency Conference				
 Innovation Workshops				
 Young Energy Researchers Conference				
 Smart E-Mobility Conference				
 Tradeshow				
 Poster Presentation				

Programme overview

Energy Efficiency Policy Conference

New Energy Efficiency Directive • REPowerEU & Green Deal • EE Markets & Finance • Energy Communities • Energy Efficiency Watch

Industrial Energy Efficiency Conference

Towards Net Zero Industries • Clean energy technologies • Process efficiency & flexibility • Green hydrogen & storage • Case studies

Smart E-Mobility Conference

Technology, policy and market updates • Fully electric fleets • Smart charging & load management • Battery innovations

Innovation Workshops

Innovation and project results on the local/regional energy transition, energy communities, sustainable buildings, renewable heating and financing

Young Energy Efficiency Researchers Conference

Presenting the work of young energy efficiency researchers • Best Young Energy Efficiency Researcher Award

Poster Presentation

Displaying energy projects, innovations and EU project results to international experts

Tradeshow

Leading tradeshow (Energiesparmesse-Webuild) on energy and buildings • Austrian & international companies present product innovations • 2023: 78,000 visitors

NEW in 2024

- New Energy Efficiency Directive
- Energy Communities
- Local and regional energy transition

Call for Papers & Speakers

You are warmly invited to get involved in the programme:

Call for Papers • Call Young Energy Researchers • Propose a speaker

- energy transition, climate neutrality, energy security
- energy efficiency, renewable energy
- solutions for buildings, industry, e-mobility
- sustainable energy research, technologies, programmes, markets and policies
- products, services, business models

Deadline: 10 October 2023

Further details: www.wsed.at/call

We look forward to receiving your contributions!

Conference fees

350 € European Energy Efficiency Conference (7 - 8 March)

120 € each of the conferences: Industrial Energy Efficiency (7 March), E-Mobility (8 March)

60 € each of the conferences: Young Energy Researchers (5 March), Policy (7 March), Innovation Workshops (8 March)

All fees plus 10 % VAT, for student fees see www.wsed.at

Conference languages

English, German (simultaneous interpretation)

With the World Sustainable Energy Days, Upper Austria – a leader in the energy transition – is the meeting place for sustainable energy. Europe has set itself the ambitious target of becoming the first climate-neutral continent. We present and discuss solutions to practically implement the energy transition quickly. With energy efficiency and renewable energy, we will ensure competitiveness and decrease energy costs!

Markus Achleitner, Regional Minister for Economy and Energy, Upper Austria

Organiser and conference office

00 Energiesparverband | Landstrasse 45, 4020 Linz, Austria | Tel. +43/732/7720-14386
office@esv.or.at | www.energiesparverband.at | www.wsed.at | ZVR171568947 | ATU 39283707

What do we offer?

You will benefit from a comprehensive package:

- latest news on policies, markets, technologies, financing, business models, research and case studies
- hands-on experience through peer-to-peer exchange
- a leading tradeshow on sustainable energy (2023: 78,000 visitors)
- new business opportunities
- valuable networking possibilities
- Austrian hospitality!

Our audience: the entire energy efficiency world!

- **business actors** engaged in the energy transition: technology and equipment companies, energy companies, service providers, planners, developers, financing community etc.
- the energy efficiency **research community**
- **public body** representatives (e.g. EU institutions, national, regional and local governments, energy agencies)
- **over 400 experts each year from more than 50 countries!**

Upper Austria - a leader in the clean energy transition

Upper Austria, one of Austria's nine regions, is a leader in the clean energy transition, making the region an ideal location for this conference. Through significant increases in energy efficiency and renewable energy, greenhouse gas emissions from buildings were reduced by 39 % in 10 years. Over 60 % of all space heating and 33 % of the primary energy in Upper Austria already come from renewables. Over 2.8 billion Euro are invested annually in the energy transition.

European Energy Efficiency Conference 2024

Date

7 - 8 March 2024

Venue

Stadthalle Wels, Pollheimerstrasse 1
4600 Wels, Austria

Organiser and conference office

OÖ Energiesparverband
Tel. +43/732/7720-14386
office@esv.or.at | www.wsed.at

Registration

Online at www.wsed.at

How to reach Wels?

- by railway: direct connections from Vienna and Vienna airport, Linz, Salzburg, Munich, etc.
- by car: A1 and A25 motorways
- by air: airports in Linz (17 km from Wels), Vienna (222 km), Salzburg (110 km), Munich (247 km)
