

15th BUILD UP Skills European exchange meeting

SESSION 1B: Taking stock of the national Status Quo Analyses – focus on the quantitative elements (26 October 16:15 – 17:45) room Zinneke, 2nd floor

Aim of the session:

This session will gather 13 projects from call 2021 and 1 from call 2022, that are working on the update of the national status quo. The call 2021 projects have delivered their status quo recently, and these will be presented and discussed, with a focus on the quantitative part of the analysis (workforce and skills gaps).
